

One Day Life Changing Event!

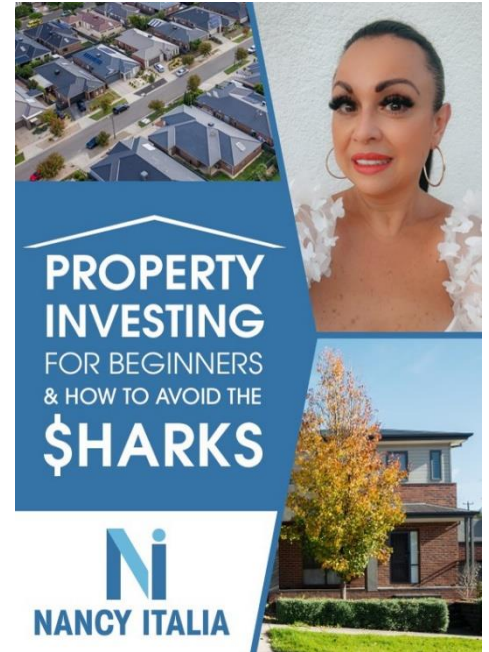

Melbourne - Sunday 19th May 2024

Learn the strategies that have taken Nancy over 25 years to discover, formulate and master!

During this Event Nancy will show you:

- How you can earn the equivalent to one year's salary for one day's work!
- How to research step by step and identify the right target market area.
- How to purchase investments with minimal costs.
- How to increase your income so that banks will keep lending you money to buy multiple properties.
- How to choose and negotiate with your team of professionals.
- How to purchase property under market value.
- Learn who to buy with and who to sell with, very important!
- How to make money without relying on capital growth.
- How to work out the returns and how to increase your returns.
- How to break down the numbers and learn what the property will cost or make you.
- How to enhance your property and add value with minimal costs.
- Learn the difference between buying 4 types of strategies, Positive, Negative, Neutrally Geared and Positive cashflow.
- How to leverage from your existing investments.
- How to structure your investment loans as a professional investor and pay off your principal place of residence much faster!
- As part of this One Day Event, Nancy will be your personal MENTOR for your first property investment. (Valid until December 2024)
- She will personally hold your hand and answer your questions and will oversee what deals you look at and make sure you are making money from the deal!

You will receive a copy of Nancy's "Property Investing for Beginners" and "101 steps to property investing success" only available

At this event!
